# COLOR FASHION 2013

## Color Fashion 2013

**Color Fashion 2013** pubblica la Gamma Colori di tutti i modelli delle case automobilistiche inerenti al 2013 sul mercato italiano.

Per avere subito un riferimento del colore, **Color Fashion 2013**, contiene una colonna aggiuntiva con i codici del Color Profi System al momento disponibili.

All'interno la gamma delle tinte è suddivisa per:

- Casa Automobilistica
- Modello
- Effetto Colore ( Met-Mica-Pearl / Pastello )

**Color Fashion 2013**, riporta la posizione della “ targhetta colore “ che vi permette di trovare e codificare rapidamente il codice colore sulla vettura.

**Color Fashion** contiene, per talune case auto, delle informazioni supplementari:

- **Codici Bicolore**
- **Paraurti**
- **Tetto**
- **Griglie , mascherine e modanature varie.**

Vi rammentiamo che per ulteriori informazioni potete sfogliare Color List 101, CD-rom Profit Manager o visitare il nostro Sito Internet [www.it.glasurit.com](http://www.it.glasurit.com)

**Color Fashion** verrà pubblicato una volta all'anno; conservandolo accuratamente vi creerete negli anni un "**Archivio Storico**".

**N.B.** Nel Color Fashion 2013 potrebbe capitare di trovare delle tinte che non avranno la card/colore come riferimento CPS; essendo colori nuovi la card sarà prodotta non appena riceveremo dalla casa costruttrice gli standard finali.

**Per qualsiasi informazione potrete rivolgervi al nostro Servizio Assistenza “Colorimetria Glasurit” tel. 0362 512 650.**
