Color Fashion 2018

Color Fashion 2018 pubblica la Gamma Colori di tutti i modelli delle case automobilistiche inerenti al 2018 sul mercato italiano.

Per avere subito un riferimento del colore, **Color Fashion 2018**, contiene una colonna aggiuntiva con i codici del Color Profi System al momento disponibili.

All'interno la gamma delle tinte è suddivisa per:

- Casa Automobilistica
- Modello
- Effetto Colore (Met-Mica-Pearl / Pastello)

Color Fashion 2018, riporta la posizione della "targhetta colore " che vi permette di trovare e codificare rapidamente il codice colore sulla vettura.

Color Fashion contiene per talune case auto informazioni supplementari:

- **Codici Bicolore**
- **Paraurti**
- **Tetto**
- **Griglie, mascherine e modanature varie.**

Vi rammentiamo che per ulteriori informazioni potete sfogliare Color List 101, CD-rom Profit Manager o visitare il nostro Sito Internet www.glasurit.com/it

Color Fashion verrà pubblicato una volta all'anno; conservandolo accuratamente vi creerete negli anni un "**Archivio Storico**".

N.B. Nel Color Fashion 2018 potrebbe capitare di trovare delle tinte che non avranno la card/colore come riferimento CPS, essendo colori nuovi la card sarà prodotta non appena riceveremo dalla casa costruttrice gli standard finali.

Per qualsiasi informazione potrete rivolgervi al nostro Servizio Assistenza "Colorimetria Glasurit" tel. 0362 512 650 e-mail: colorimetriaglasurit@basf.com
